Dear Colleagues,

I enclose the next rota of ecumenical services of worship for next year (2014)

This is a previsional list, please advise of any changes that may be necessary due to other commitments (or editor's errors!).

Services are at 6.30pm except for March and September which are at 6pm.

Every prayer and good wish. *Paul*

I have not put a December service on the list - we need to talk about that and whether to include one on the list.

20 April is Easter Sunday, hence my suggestion that we hold our service on the following Sunday which will be a nice way to celebrate conclusion of Easter Week.
