Red Tubes

The Harvest of Small Change
 for
Heating, Meeting & Mission

Please take a red tube from the back of church and fill it with your small change. When your tube is full then please bring it to church and hand it to Sandra Partington, who will be happy to supply you with another one. We all know that the cost of everything has increased but please be as generous in your giving as the Lord has been generous to you.

Ministry of Flowers

If you know of any member who is ill, or have a friend or neighbour who would appreciate being remembered by us as a Church, please will you put their **names and addresses** in the Flower Book, which is on the table at the back of the church. Thank you.

Church Book Stall

Have you paid a visit to the Church bookstall recently? If not you will find it just outside the double doors at the back of church. Why not have a browse after the service. Dozens of new books have been put on the shelves over the past few weeks. So take advantage of the special offers.

P.S. If you have any books that you have read and finished with why not donate them to the bookstall. All proceeds to church funds.

Church Web Site

If you have access to the internet why not check out our church website (address at the top of the page). There is lots of information about our church and its activities. If there is anything that you think should be on the website and isn't, have a word with John Nunn.
